

# SURGICEPT™

*Waterless, Surgical Hand Antiseptic*

## DIRECTIONS FOR USE

**For the first scrub of the day, clean under nails using a nail pick under running water.**

**APPLY TO CLEAN, DRY HANDS.**

- 1.** Dispense sufficient quantity of SURGICEPT to cover one hand (approx. 2 mL) into cupped palm. Dip the fingertips of your opposite hand into SURGICEPT and work under the nails. Spread remainder of SURGICEPT on hand and lower two-thirds of forearm.

- 2.** Repeat Step 1 with other hand and forearm.

- 3.** Dispense an additional sufficient quantity (approx. 2 mL) of SURGICEPT and apply to all surfaces of hands up to wrists, paying particular attention to nails, cuticles, and interdigital spaces.

**ALLOW TO DRY BEFORE DONNING GLOVES.  
DO NOT DRY WITH TOWEL.**

**Do not use** if you are allergic or have known or suspected hypersensitivity to any ingredient in this product. **Discontinue use and consult physician** if irritation, redness, or allergic reaction occurs.
