

TRISEPTIN[®]

WATERLESS

INSTRUCTIONS FOR USE

Surgical Hand Scrub

Apply to clean, dry hands and nails.

Clean under nails using a nail pick.

READ PRODUCT LABEL PRIOR TO USE.

- 1.** Dispense one pump, approximately 4.5 mL, of TRISEPTIN *Waterless* into the palm of one hand.

- 2.** Insert and twist fingertips of the opposite hand, working TRISEPTIN *Waterless* under the nails.

- 3.** Using the palm with TRISEPTIN *Waterless*, rub the remaining solution into the opposite hand, wrist and up to the elbow, paying particular attention to the nails, cuticles and interdigital spaces. **Repeat steps 1-3 with opposite hand.**

Continue rubbing hands together to facilitate drying.

Allow to completely dry before donning gloves.

Do not dry with towel.

Requires only one application per hand.
EFFECTIVE • EASY • ECONOMICAL

Do not use if you are allergic or have known or suspected hypersensitivity to any ingredient in this product.

Discontinue use and consult a physician if redness, irritation or allergic reaction occurs.
